Strikers vs. Keepers face off in the heat of Texas.....

The Woodlands, Texas (June 20, 2013) – The Texas Rush hosted the Strikers vs. Keepers Camp 2013 at Alden Bridge Sports Fields Hwy. 240 in The Woodlands from June 17 - 20, 2013 sponsored by [VillaSport Athletic Club & Spa](#).

130+ players (GK / Strikers) from the age of 7 – 18 endured 90-100 degree temperatures to compete in live situations directly in front of goal. GK's were flying around putting their body on the line along with strikers aiming to finish in front of goal with consistency. The curriculum was based upon live action in the final attacking third of the field.

"It was great to see both positions (GK / Strikers) going head to head in a very competitive setting. Both positions on the field have a major impact on whether or not you win or lose games. It's a tremendously intense, action – packed environment that the players thoroughly enjoy each year and the camp continues to grow." Lee Jackson, Director of Coaching – Senior Boys.
